About Rhode Island Fire N' Ice

Rhode Island Fire N' Ice is an elite youth fastpitch softball organization based out of East Providence, RI. The program was founded by Rob Traverse in 2010 for the purpose of providing exceptional softball training and instruction to young athletes. Our intent is to provide each player with the opportunity to develop and compete as they strive toward successful high school and college careers. While we compete in regional tournaments and showcases, we take pride in creating an environment that optimizes each player's ability while maintaining a "team first" approach to the game.
